

CHAPMAN POND

(Sullivan)

ACRES: 20

MAX. DEPTH: 17'

MEAN DEPTH: 7'

CLARITY: 8'

ELEVATION: 1330'

FISH SPECIES: Brook Trout

GPS: N43 01.640 W72 13.289

ACCESS: A gravel launch with parking for 8-10 vehicles.

DIRECTIONS: From the intersection of Route 9 and Center Street in East Sullivan (marked by a blinking traffic light), take Center Street for 2.2 mi and bear right onto Church Street at intersection in Sullivan village. In another 0.4 mi., turn right at stop sign onto Gilsum Road and continue 0.4 mi. to a dirt road on the right. Take this for 0.7 mi., then turn right onto Chapman Pond Road. From here it's 0.2 mi. to the pond.

COMMENTS: This is a nice pond, though a little on the shallow side. There is no shoreline development and for the most part the water is protected from any strong winds.
